**St George's Crypt in Leeds thinks this scarf  
might just do the trick**

Imagine going into the cold without a hat, gloves or a scarf. At  $-3^{\circ}\text{C}$  most of us would find this challenging. But people do go outside without these items because they can't afford them. St George's Crypt in Leeds and your BMA ISC hope to change that. With your help we can make people warmer. Donate a scarf, some gloves, or even a hat on **December 10, 2008** in the **APL** during the **BMA Food and Scarf Drive**. **We can all help, one scarf at a time.**
